24°C Light rain | Search | 16:00 01-08-2024

The screenshot shows a Windows desktop environment. At the top, a web browser window is open with multiple tabs, including 'Training Link\_25th July till 15th', '24NAG2030\_U21', and 'Microsoft Teams Meeting'. The address bar shows a URL from 'cloud4.rpsconsulting.in'. Below the browser, a terminal window titled 'rps@rps-Ubuntu: ~/Desktop/rpsTraining1' is active. The terminal displays a series of Git commands and their outputs. The commands include setting the global user name, adding files, checking status, committing changes, and creating a new branch. The system tray at the bottom shows a weather widget for 24°C with light rain, a search bar, and various application icons. The date and time are 01-08-2024 at 16:00.

```
